## President's Monthly News Letter - February 2020

Dear Members

January was a hectic month with a multitude of tournaments and entertainment activities. Most importantly, **Republic Day was celebrated with patriotic zeal starting with the hosting of the National Flag** in the morning which was attended by a huge gathering of members and staff of the club. The customary Republic Day Golf Tournament and the signature entertainment event coinciding with the Republic Day weekend was also held to mark this important day.

The tournament as usual drew a lot of our golfing members to participate and was played over 2 days. Kudos to the Tournament Committee and the staff of the tournament section for having organised yet another event flawlessly. The Entertainment Committee had organised A26 the leading band from Goa followed by DJ music for the members on the occasion of Republic Day. The same was well attended and enjoyed by one and all.

We had the **Hyderabad Golf Association** visiting us this year for the annual inter club golf tournament. **This inter club tournament which is being played since 2010** is eagerly awaited and a very keenly fought event. **This year our team played some outstanding golf over two days to bag the coveted inter club cup after 4 long years. My hearty congratulations to every member of the KGA Team.**

The affairs of the club are being managed in a most optimum manner. Outsourcing of certain sections like Bar, Housekeeping etc have given us the desired results. In fact the Bar Section has been showing profits ever since we outsourced the same, from a negative figure earlier. Added to the profits, we now have professional service and presentation. Housekeeping standards too, have improved vastly and if one has to go by the feedback received from our members, I must say we are moving in the right direction.

The size and scale of the club has increased significantly over the years and it will be better to professionalize more sections of the club in the coming months as the elected committee members are in office only for a year and in that short span it is difficult to look into all aspects.

The Tournament Committee is busy preparing for the **Annual Quadrangular Tournament** played amongst Bombay Presidency Golf Club, Royal Calcutta Golf Club, Delhi Golf Club and Karnataka Golf Association. This year the tournament is being played at Mumbai at the BPGC Course as they are the hosts. I wish **Team KGA** all the very best.

The Club House Chairman and his committee are working on asphaltting the car park area, renovating the main reception area and the outdoor bar. Details of the same will be posted soon on the club notice board.

The Course Chairman and his committee are preparing a lovely blueprint on beautifying the 10 Tee Box and its surroundings. With this plan, the approach area to the club house will be vastly improved

I request our members and associates to kindly bear with the inconvenience during the transition of the club as the committee is moving towards improving the facilities for the benefit of one and all.

I would also like to congratulate our **Committee Member and Government Nominee Mr. Praveen Sood** for having being appointed as the **Director General and Inspector General of Police, Karnataka**. We wish him all success in his tenure in this high office.

With best regards

**Vinod Chinnappa M**  
President
