KGA Online Tee Booking Policy

Given Golf is **a gentleman's game** and a **game of sportsmanship**, we KGA members need to continue this to our procedures and systems, we use to manage and provide access to our Golf course. To make the system fair and equitable for all, the tournament sub-committee and managing committee has set the following protocols:

1. **Only member** shall use the KGA online tee booking system to book a tee time.
2. Use of **machine automation (software or other)** to book tee time using KGA online tee time booking system is **NOT** permitted.
3. Use of **3rd party** to book tee time on behalf of member is **NOT** permitted.
4. Booking tee time from outside India is **NOT** permitted. Please notify Hon Secretary and Tournament Dept (tour@kga.in), and get permission if member is travelling outside India and has to book a tee time for the following week when she/he is back.
5. Audit logs with user, event and time-stamps are in place to monitor activity to ensure system is used fairly.
6. If member is found to use machine automation or 3rd party or system outside India to book a tee time, after Tournament and managing Committee review, member **will not be allowed to book tee time from 3 to 6 months and not allowed to play for upto a month or more**. The quantum of the deterrent will be based on the severity of the offence
7. If member cannot use the tee time, member cannot transfer booking to remaining members in the 4 ball. Member should notify tournament dept so tee time can be allocated to member in waiting list. Failure to do so will also cause penalty in booking tee time.
